The instruction of pet bowl

Folding leg manual:

1: Firstly, turn the bottom of the product up.

2: As picture shown, extend the legs.

3: Press the legs down to the end.

4: Find the button on the leg. Press the button and pull leg at the same time to adjust the product height.

5: Make sure the button is secured in the appropriate hole position, then place the stainless steel bowl on top.

Multiple heights can be applied:

① Height 8.3 in

② Height 13.39 in

③ Height 14.96 in

④ Height 16.54 in

Warning:

1. Don't clean the dog bowl stand with water over 158°F.

2. Clean with water or rag before use.

Back

The four legs were secured to the dog bowl with tape.
