

Part # 77009

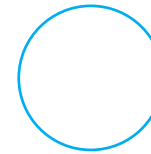

agralink™
GATEWARE

Tall Gate Wheel

- Easily open and close while keeping gate upright
- For round tube gates of 1-5/8" to 2" OD
- Adjustable for gates with high ground clearance
- Easy installation with included hardware

1. Use the bolts provided to install the mounting brackets on the gate, as shown below.
2. Tighten bolts with handles to secure the wheel at a desired height.
