## **INCLUDED**

HIGH TORQUE 12-VOLT MOTOR

PROGRAMMABLE 12-VOLT TIMER

HIGH EFFICIENCY 12-VOLT

SOLAR PANEL

*Field & Stream* ESTB 1871

## THE GREATEST STORIES HAPPEN OUTDOORS

For more than a century, Field & Stream has been the most-trusted voice of the outdoors. With origins dating back to 1871, F&S has taught a nation to hunt and fish, camp and explore, to survive and thrive in the outdoors—all while leading the charge to conserve and fight for wildlife and wild places. The secret to our longevity is simple: Hunters and anglers love a great story—and nobody tells one better than Field & Stream.
