

## **Limited Warranty for Industrial High-Velocity Fans**

Caterpillar Fans warrants its industrial high-velocity fans to be free from defects in materials and workmanship under normal use and service for a period of **3 years** from the date of purchase.

### **Warranty Coverage:**

This warranty covers:

Defects in materials and craftsmanship under normal use  
Motor and electrical component failures due to manufacturing defects  
Structural integrity of the fan housing, blades, and protective grill

### **What This Warranty Does NOT Cover:**

Damage caused by improper installation, misuse, or neglect  
Normal wear and tear, including blade discoloration or minor cosmetic issues  
Damage due to exposure to extreme conditions (e.g., moisture, chemicals, or power surges)  
Unauthorized modifications or repairs performed by non-approved technicians  
Accessories or additional parts not originally supplied with the fan

### **Claim Process:**

To make a warranty claim, the original purchaser must provide proof of purchase and contact us [customerservice@catwarranty.com](mailto:customerservice@catwarranty.com) or **1888 372 8518**. If a defect is confirmed, Caterpillar Fans will, at its discretion, repair or replace the defective part or unit.

This warranty is limited to the replacement or repair of the product and does not cover labor costs, shipping fees, or indirect damages.
