

Austin Pretty Limits® Oleander

Nerium oleander

Enjoy bright pink flowers every day of the year with Austin Pretty Limits oleander. This non-stop bloomer was selected in Austin, Texas, for its dense, rounded habit and exceptional disease resistance. The bright pink flowers make it the ideal choice for hedges, specimens, containers, and more. While this plant can only be grown outdoors in warm climates, cool climate growers can enjoy its constant blooms in a patio container during the summer. Top reasons to grow Austin Pretty Limits oleander:- Blooms non-stop, even in very hot areas- Improved habit gives it a full, lush look that ensures coverage- Disease resistant foliage stays clean and green all season, long blooming, and heat tolerant.

Water Category: Average; Needs good drainage

Uses: Container, Border Plant, Good for Screening, Landscape, Mass Planting, Specimen or Focal Point

Uses Notes: Thanks to its improved coverage, Austin Pretty Limits oleander makes a fine flowering hedge or container plant.

Maintenance Notes: With its compact habit and lush coverage, Austin Pretty Limits oleander should need little to no pruning. If you do prune it, be aware that the white sap is toxic if ingested and can irritate skin in some people, so gloves should be worn and children and pets kept out of the area until the sap dries after pruning.
