

TARTER®

TRADITION SERIES RAISED BED PLANTERS

Elevate your curb appeal with our Tradition Series Oval Raised Bed Planters, expertly crafted from 21-gauge galvanized steel. This material ensures exceptional durability and resistance to corrosion, while a premium powder-coated finish offers a sleek, customized look to suit your personal style.

Our planters feature a one-piece open bottom design, promoting optimal natural drainage to keep your plants healthy and thriving. The rolled rim top not only adds a touch of elegance but also provides added rigidity and safety, making gardening tasks more comfortable.

A variety of sizes allow you to create a garden space that perfectly fits your needs. Whether you're cultivating a vibrant flower bed or a productive vegetable garden, this planter offers both functionality and aesthetic charm.
