

# EZ-ON-COAT ROOF SHINGLE SEALER™

## LOW COST SOLUTION TO SHINGLE REPLACEMENT

For one quarter of the cost of the lowest priced shingles and one tenth of the labor, EZ-On-Coat Roof Shingle Sealer™ can help extend the life of your shingles for up to 5 years.

Designed for ages asphalt and fiberglass shingles, and low-sloped mineral surfaced roll roofing, EZ On Coat Shingle Sealer™ adds moisture to your roof and locks in granules to reduce further granule loss.

It's 100% acrylic technology offers excellent adhesion and is formulated to remain clear over time.

EZ-On-Coat Roof Shingle Sealer™ can also be used on clay, concrete and slate roof tiles. It helps repel rain, renew appearance of existing roofing, and protect against weather-related deterioration.

## FEATURES & BENEFITS
