

New Yard Hydrant Improvements

increase durability and performance!

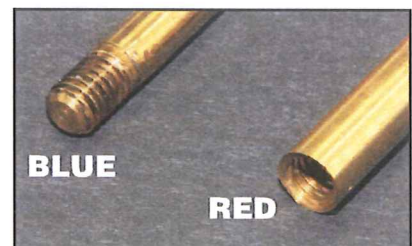

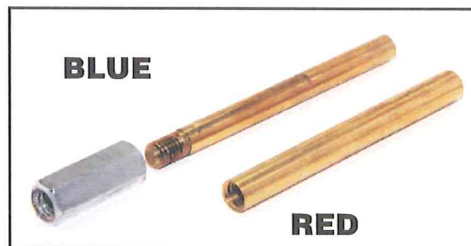

Blue Model is
New &
Improved

Red Model is
a Proven
Performer

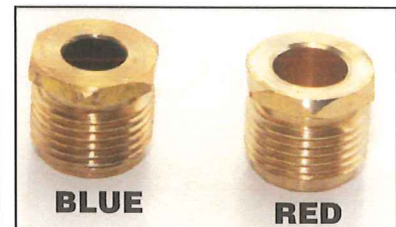

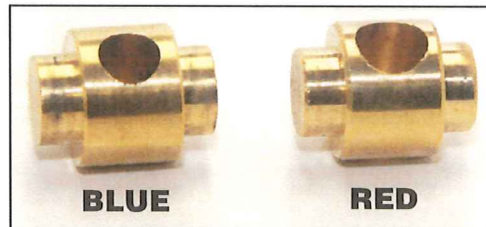

Clevis Rod

Smaller diameter solid Clevis Rod.
Male Threads replace female threads.
Used with Hex connector
for added strength.

Brass Connector & Packing Nut

Smaller Diameter to match Clevis Rod.

Connector Set Screw

New set screw cuts into Clevis Rod
for stronger hold.

Plunger

New solid construction provides longer
service life with fewer adjustments.
