

Treated Wood Fence Posts for Agricultural Use

- Pine wood posts with a flat top at each end
- CCA treatment helps to prevent deterioration of wood and repels insects
- Our posts carry a 25 year limited warranty
- Suitable for barbed, woven or high tensile wire fences or other approved in-ground applications
- Several sizes available in stores:
 - 3.5 inch diameter x 6.5 foot line posts
 - 4 inch diameter x 8 foot line posts
 - 5 inch diameter x 8 foot corner posts
 - 6 inch diameter x 8 foot gate posts
- Additional sizes available by special order
- Please check with your local Tractor Supply Store for current prices
- Ask about volume discounts
- Full truckloads available for drop shipping to the farm
