

# HOME SEAL™

120°F  
30°F

ALL SEASON FOAM

APPLICATION

HomeSeal™ is an all-purpose, high density foam that is perfect for smaller cracks & voids. Use it on both indoor & outdoor applications.\* The all-season formula performs in a wide-temperature range from 30°F to 120°F. Fill small gaps in walls, around exhaust vents, plumbing fixtures, baseboards, sill plates, and electrical outlet boxes.\*\*

\* Outdoor applications must be painted to avoid foam discoloration.

\*\* Use around (not inside) junction boxes.

Shown with DAP® Comfort Spray™ Universal 1-Component Straw Foam Applicator (sold separately, product # 7565070230).
