

# INSPIRE® RIDER®

## TEXTURED

### PRODUCT DESCRIPTION

Inspire® Rider® is a blend of quality grains and pellets lightly wrapped in molasses and vegetable oil designed for maintenance and light performance in adult horses fed good quality hay or pasture. Inspire Rider offers balanced nutrition with excellent acceptance and palatability for the life of your horse.

Available in 50-lb bags.

### FEATURES & BENEFITS

#### Fixed Ingredient Formula

Provides a consistent feed to your horse bag after bag, maintaining a stable gut environment and overall digestive health.

#### Fresh Ingredients

Provide added quality and confidence in knowing you are selecting the best for your horse.

#### Complete and Precisely Balanced Vitamin and Mineral Package, including:

- **Organic (Complexed) Zinc, Copper and Manganese, Plus Bioavailable Selenium**  
The greater mineral absorption and utilization helps meet the increased needs for bone, muscle and tissue strength in active horses. Overall reproduction performance and efficiency is sustained in breeding mares stallions.
- **Vitamins A, D, E and Stable Vitamin C**  
Provides a supplemental source to help guard against deficiencies and maintain optimal health and metabolism. As potent antioxidants, vitamins E and C help maintain cell membrane and tissue integrity, and support the immune system.
- **B-Complex Vitamins (including Biotin)**  
Actively involved in the metabolism of carbohydrates, fats and proteins into usable energy for performance and endurance. Added B vitamins support health growth of skin, hair and hooves.

#### Blend of Quality Grains and Pellets

Including oats and corn lightly wrapped in molasses and vegetable oil provide varied energy sources to the horse while the textured form encourages salivation and may help aid in digestion. A textured feed ensures excellent acceptance and palatability.

### FEEDING DIRECTIONS

Inspire Rider is a low protein, textured blend of corn, oats, barley, pellets and molasses for maintenance and light performance horses.

## INSPIRE® RIDER®

For maintenance and light performance of mature horses.

DAILY GUIDE: It is necessary to adjust the feeding rate of Inspire Rider to the condition of the horse. Provide horses with good-quality hay or pasture, free-choice salt and plenty of fresh water.

Horse Class	Age	Suggested Feeding Range* lb/100-lb body weight/day
<b>Adult</b>		
Maintenance	Mature	0.40 – 0.65
Light Exercise	Mature	0.50 – 0.75
Moderate Exercise	Mature	0.60 – 0.85
Heavy Exercise	Mature	0.70 – 0.95

\*Suggested program is based on offering grass or mixed grass hay. If feeding legume hay, rich pasture, or if Inspire Rider is fed below the recommended feeding range, consult with your Kent Nutrition Group representative or customer service for a ration recommendation.

The suggested feeding program above is intended solely as a guide. The variables of management, environment, and breed may dictate changes in the animal's dietary requirements.

Store in a cool dry place. This product is perishable and may degrade if not consumed in a timely manner or not stored consistent with these instructions. Do not feed this product if it appears to be unfit for animal consumption.
