## Vetrolin® White 'N Brite™

### Deep-Cleaning, Color-Brightening Shampoo

Vetrolin® White 'N Brite™ Shampoo brings out the best in all colored coats. Deep-cleaning shampoo adds incredible brilliance to coats, manes and tails, while leaving your horse soft and shiny. Optical brighteners reflect light off the hair to accentuate the coat's radiance. Gentle formula contains coconut oil derivatives to moisturize and increase absorption of brightening agents. High-sudsing shampoo easily removes even the worst yellow manure stains with hot or cold water; rinses out quickly. Concentrated – only takes 1-2 capfuls per gallon of finished shampoo. For use on horses, ponies and dogs.

**DIRECTIONS:** Add 2 to 4 capfuls to 2 gallons of water for ready-to-use shampoo. Wet horse's coat thoroughly. Massage Vetrolin® White 'N Brite™ Shampoo into horse's coat, mane and tail, and leave on for 5 minutes. Rinse well with clear running water.

**TO SPOT CLEAN:** Rub Vetrolin® White 'N Brite™ Shampoo directly onto the stain. Leave on for 5 minutes, then rinse thoroughly.

**CAUTION:** For external use only. Keep out of reach of children.
