PREMIER SPRAY MARIGOLD SCENT

Everyone loved our original Marigold Spray so much, we put the power of Marigolds into our **Premier Equine Rehydrant Spray. Premier Marigold** is a safe, botanical formula with proven results. This non-slip, non-sticky formula won't attract dirt or dust, and may be applied to the saddle area. Use this remarkable spray as often as you like. It won't burn eyes or ears and won't stain equipment. **Premier Marigold Spray** is most effective after residual oils and silicones are washed away, to allow moisture to penetrate the hair shaft. Your horse's skin will respire better while minimizing irritations thanks to extracts of Marigold, Rosemary, Lavender, and Aloe Vera.

- Adds shine and moisture to coat
- Enhances natural color
- Minimizes dry skin conditions
- Environmentally friendly
- Anti-static properties
- Cruelty Free

AKA Canadian Marigold Spray in Canada!

AVOCADO MIST

An excellent leave on conditioning spray that maintains balanced moisture within each hair shaft. **AVOCADO MIST** helps prevent the mane and tail from becoming dry, brittle and breaking off. Avocado Mist does not contain oils, silicones, waxes or synthetic polymers. Infused with avocado extract, panthenol, protein and aloe vera to promote shine, pliability and strength, while protecting from harsh environmental elements.

AVOCADO MIST won't weigh down hair with heavy films, slime or stickiness.

- Repels dust and dirt
- Anti-static
- Balanced moisture retention
- Cruelty free

PREMIER

PREMIER SHAMPOO:

The only equine shampoo that leaves the hair shaft completely clean, not coated with wax, oil, petroleum by-products, silicone or synthetic polymers, typically found in other equine shampoos, allowing hair to accept more moisture from air.

- Moisturizes and soothes dry or flaky skin
- Brightens coat colors
- Rinses clean easily and leaves no residue
- Horses can cool-out up to 50% faster

The finest Equine Shampoo ever made!

PREMIER CONDITIONER:

A weightless conditioner developed for brushing ease on just, or recently bathed, horses. A unique combination of natural emollients minimizes flyaways, then replenishes each strand with moisture and shine. Shampooing can cause mane and tail tangles, eliminate the problem by applying **PREMIER CONDITIONER** after shampooing with **MICRO-TEK** or **PREMIER SHAMPOO**. To save on grooming time, simply apply **PREMIER CONDITIONER** directly over shampoo then rinse both out together. You still get the enhanced shine, along with snarl free brushing, combing and scraping!

PREMIER SPRAY:

Ideal for daily use, especially when bathing or brushing. **Premier Spray** is a botanical rehydrant that won't coat your horse's skin or hair with wax, petroleum by-products, silicone or synthetic polymers. **Premier Spray** was developed specifically to bind air-captured moisture to the coat over a 24 hour period, allowing skin to properly respire. It's not slippery and won't attract dirt or dust. When the coat isn't covered with by-products, moisture travels through the hair to the skin, allowing the skin to respire

- Shines and moisturizes coat
- Enhances color
- Minimizes dry skin
- Repels dust and dirt
- Non slip formula! Safe for use on saddle area

Conditions Coats, Manes and Tails!
