

# INSPIRE<sup>®</sup> MIN-A-VITE LITE<sup>™</sup>

## PRODUCT DESCRIPTION

Inspire<sup>®</sup> Min-A-Vite Lite<sup>™</sup> is a mineral and vitamin supplement designed to balance the nutritional deficiencies of grass or mixed grass/legume hay and pasture for horses of all ages, weights, classifications and performance levels. It contains all the minerals and vitamins necessary for normal metabolism, growth, performance, reproduction and health. The addition of fiber and other low carbohydrate ingredients offers a safe and natural way to supplement a horse's diet.

Inspire Min-A-Vite Lite is an ideal feed for horses requiring minimal to no grain ration without the worry of additional weight gain. It can also be fed as a supplement to any Blue Seal equine grain ration to provide additional minerals and vitamins as needed.

## FEATURES & BENEFITS

### Concentrated Nutrition

A concentrated supplement provides essential nutrients in a lower feeding rate product for horses requiring less calories to maintain a healthy body condition or less grain ration to maintain digestive health.

### Organic Trace Mineral Complexes

Organic forms of zinc, copper, manganese and selenium help ensure critical trace minerals are biologically available for maintenance, activity and reproductive performance and health.

### Advanced Antioxidant Package

Antioxidant nutrients including stable vitamins and available trace minerals help support the immune system maintaining optimal health and metabolism.

### Yeast Prebiotics

Yeast metabolites help sustain a healthy microbial fermentation, maintaining nutrient digestibility and overall digestive health.

## FEEDING DIRECTIONS

Inspire Min-A-Vite Lite is designed to be fed to horses as a mineral and vitamin supplement in accordance with the following suggested feeding program:

**Standard Horses:** 1/3 to 1 pound per day or 1 to 3 cups per day. The amount of Inspire Min-A-Vite Lite to feed depends on stage of production and the level of high-quality grain ration fed as follows:

## INSPIRE<sup>®</sup> MIN-A-VITE LITE<sup>™</sup>

A pelleted mineral and vitamin supplement for horses fed grass or grass/legume hay or pasture.

### Inspire Min-A-Vite Lite

High-Quality Grain Ration Intake	Standard Horse	Draft Horse	Miniature Horse
0 – 2.5 lbs	2 – 3 cups	3 – 4.5 cups	1 – 2.5 oz per 100 lb body weight
2.5 – 5.0 lbs	1.5 – 2.5 cups	2.25 – 3.75 cups	
5.0 – 8.0 lbs	1 – 2 cups	1.5 – 3 cups	
8.0+ lbs	0 – 1 cup	0 – 1.5 cups	

NOTE: One level cup (8 oz) holds  $\frac{1}{3}$  pound.

DAILY GUIDE: It is necessary to adjust the feeding rate of Inspire Min-A-Vite Lite to the condition of the horse. Provide horses with good-quality hay or pasture, free-choice salt and plenty of water.

The suggested feeding program above is intended solely as a guide. The variables of management, environment and breed may dictate changes in the animal's dietary requirements.

Store in a cool dry place. This product is perishable and may degrade if not consumed in a timely manner or not stored consistent with these instructions. Do not feed this product if it appears to be unfit for animal consumption.
