

Champion's Choice® Iodized Salt

A specially formulated salt with calcium iodate to help promote proper thyroid gland activity, which helps produce the necessary levels of thyroid hormones for optimum performance. Iodine deficiencies in livestock can lead to goiter (an enlargement of the thyroid gland), a condition most often found in young animals.

Guaranteed Analysis

		%	PPM
salt (as NaCl)	min	95.00	950,000
salt (as NaCl)	max	99.00	990,000
iodine (as I)	min	0.011	110

Ingredients

Salt, Calcium Carbonate, Mineral Oil, Iron Oxide, Calcium Iodate.

Feeding Instructions

Feed this supplement free choice to beef cattle, dairy cattle, sheep, goats, swine and horses. Ensure adequate supply of roughage and fresh water is available for all animals. NOT FOR HUMAN CONSUMPTION.
