

YOUR FIRST WEEK WITH **REAL** **FOOD**

Short transition support for
healthier feeding, made simple
for dogs and cats.

chewer's
JOY[®]

MADE FOR REAL LIFE. MADE FOR THEM.

At Chewer's Joy, we believe pets deserve real, high-quality nutrition made with ingredients you can trust.

Our meals are crafted with high-protein formulas designed to support everyday health, energy, and happiness—for both dogs and cats.

No unnecessary fillers. No shortcuts.
Just honest nutrition you can feel good about.

WHY PET PARENTS CHOOSE US

- ✓ High-protein recipes made with quality ingredients.
- ✓ Crafted to support daily health and vitality.
- ✓ No artificial preservatives, colors, or flavors.
- ✓ Developed with guidance from veterinary nutrition experts.
- ✓ Convenient and reliable delivery.

SWITCHING TO CHEWER'S JOY

Transitioning your pet to fresh food is simple.
Follow this gradual guide to help their tummy adjust comfortably.

Every pet is unique! Go at their pace and adjust as needed.
If you have any questions, our team is here to help.

STORE & SERVE

KEEP IT FRESH

Keep meals in the fridge and
use within 4-5 days of opening.

For longer storage, freeze
individual portions.

SERVE WITH LOVE

Serve at room temperature
for best flavor and aroma.

Add a splash of warm water if
your pet likes it extra cozy!

SHARE THE JOY

It's going to take a village to grow our pack and start a healthier pet food movement. You can share your referral link through your customer portal, spread the word by tagging us on social media, or, you know, talk to fellow pet parents (including your vet!) about us face-to-face. Share your experience and enjoy exclusive discounts as part of our growing community.

Give the gift of better nutrition—one bowl at a time.

We're well socialized.
