

PRO/TRAN[®] 2

**FOR UL-APPROVED SAFE ELECTRICAL POWER
TRANSFER FROM PORTABLE GENERATORS UP
TO 50 AMPS OR 12,500 WATTS**

At a fraction of the cost of a pad-mount generator
Kits include everything you need to run most key
appliances during a power outage.

*Hundreds of thousands installed in North American homes
since 1980.*

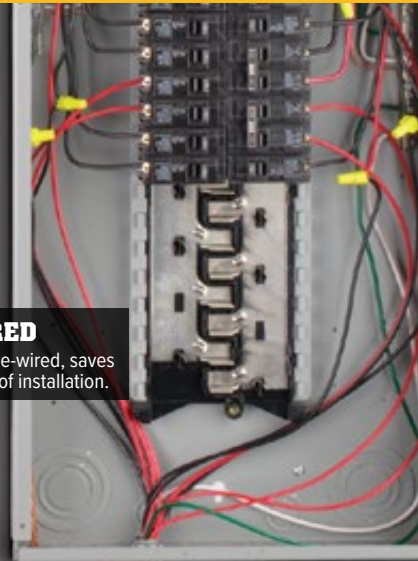

FLEXIBLE WHIP

Flexible conduit whip makes
installation a breeze.

PRE-WIRED

Completely pre-wired, saves
time for ease of installation.
