

RECHARGEABLE PORTABLE FAN

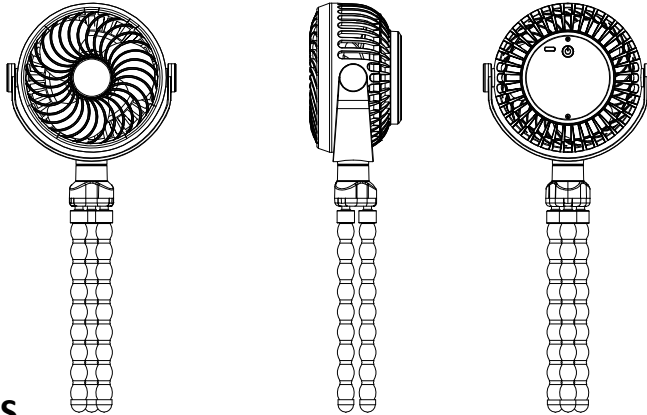

Instruction Manual

SKU# 6023821

Please read instructions carefully before use. Retain for future reference.

PACKING LIST

1. Fan x 1
2. Instruction Book x1
3. USB Charging Cable x 1

PRODUCT OVERVIEW & FEATURES

1. Charging the Fan:

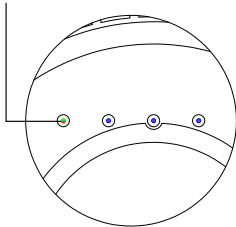

Fully charge the fan before first use. Connect the provided USB cable to a standard 5V/1A USB charger (not included) and a power outlet.

Note: Use only the provided USB cable. Using this cable with other devices may cause damage.

3. Charging Indicator:

1. Red Light On: Charging in progress.
2. Green Light On: Fully charged.
3. Red Light Blinking: Low battery, requires charging.

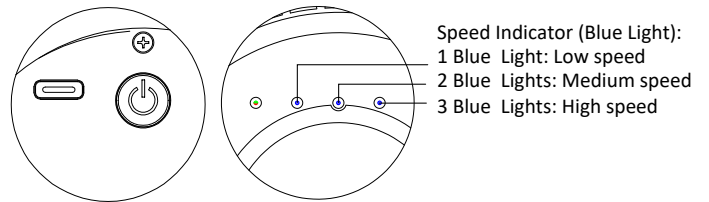

5. Versatile Placement:

Use handheld, on a desk, or secure it with the flexible octopus legs.

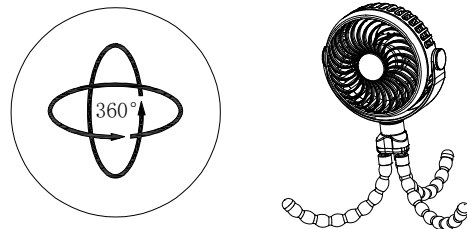

2. Power On & Speed Adjustment:

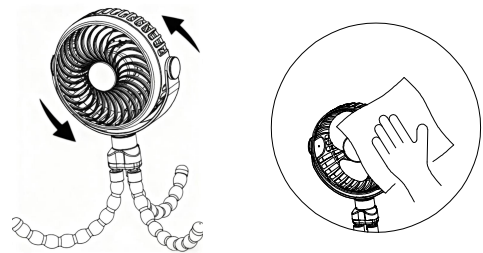

Press the power button to turn the fan on. Repeatedly press the same button to cycle through the speed settings: **Low → Medium → High**.

4. 360° Adjustable Head: Tilt the fan head to your desired angle.

6. Removable Front Cover: The front cover can be removed for easy cleaning. To open, twist the cover counterclockwise as indicated by the arrow.

SPECIFICATIONS

Size	3.1 in. D x 5.8 in.W x 14 in.H
Input	5V / 1A / 5W
Charging time	3 hrs
Run time	High: 3 hrs, Medium: 6 hrs, Low: 9 hrs
Battery	2 x 3.7V 1200mAh Rechargeable li-ion battery

IMPORTANT SAFETY INSTRUCTIONS

WARNING: To reduce the risk of injury or damage, please read and follow all safety instructions.

General Safety

- DO NOT insert fingers or any objects into the fan grille while the fan is in operation.
- Keep the fan away from water, other liquids, and heat sources.
- This is not a toy. Keep out of reach of children and pets.

Battery Safety & Disposal

- DO NOT disassemble, crush, puncture, short-circuit, or expose the battery to fire or excessive heat.
- DO NOT attempt to recharge non-rechargeable batteries.
- Dispose of the battery in accordance with local environmental regulations. Do not dispose of in household trash.
- Recycle through certified e-waste or battery recycling facilities.

Cleaning & Maintenance

- Always turn off and disconnect the fan from the power source before cleaning.
- Wipe the exterior with a soft, dry cloth.
- DO NOT immerse any part of the fan in water or use abrasive/chemical cleaners.
- Gently clean the fan blades and grille with a soft brush or dry cloth to remove dust.
- Ensure the fan is completely dry before use or storage.
- Store in a cool, dry place when not in use for extended periods.

FCC LABEL:

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

FCC INSTRUCTIONS

Caution: Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

 Warning: This product can expose you to chemicals including lead and lead compounds, which are known to the State of California to cause cancer and birth defects or other reproductive harm. For more information, go to www.P65Warnings.ca.gov.
