CARE TIPS

 **DANGER:** Please keep children out of assembly area during assembly.

 **WARNING:**

- * Climbing on the unit is not permitted.
- * Children should not be allowed in, on or around the unit without supervision.
- * This product is designed exclusively for rabbits. Not intended for children.
- * Keep hutch in safe area away from high winds and extreme temperatures.

 **MAINTENANCE:**

To protect wood and increase durability, wood can be coated with a non-toxic outdoor paint. For better results, re-coat yearly, especially in climates with extreme weather conditions.

BEFORE YOU BEGIN:

Read instruction prior to assembly. This product contains parts that can be damaged if incorrectly assembled. Please follow instructions. For steps where parts are placed upside down, place parts on a smooth surface to avoid scratching finish. Locate a flat level surface area to assemble and place coop for best results.

PRE-ASSEMBLY:

TOOLS REQUIRED (not included):

- *Screwdriver*
- *Tape*

Two people are recommended to assemble this product.

 **CAUTION:** If using a cordless power drill / screwdriver, turn torque setting down to a minimum level to start so that screws are not stripped. Adjust torque up slightly if needed to fully tighten screws.
