TIPS BEFORE YOU START

- * Ensure that all parts are present prior to assembly.
- * Check all packing material carefully before discarding, as some parts may be encased in the packing material.
- * For ease and speed of assembly, it is recommended that all required parts be identified prior to each step.
- * Ensure that you have sufficient space and the number of people (as indicated on page 1) to assemble the product safely.
- * During assembly, take care not to over-tighten any fittings, as this may damage the product.

CARE AND MAINTENANCE

- * Always inspect the product for any obstructions during each use.
- * The manufacturer will not accept responsibility for unauthorized repairs or modifications to this product.
- * To clean, wash the frame and the fabric with mild soap and water; rinse thoroughly; dry the frame completely and allow the fabric to drip dry away from direct sunlight.
- * Do not use bleach, acid, or other solvents on the fabric or frame parts.
- * To prolong the life of your furniture, we recommend storing it in a dry area when not in use or during severe weather conditions.

WARNING

- * Annually:
 - * Check all nuts and bolts for tightness each season, and more often if used frequently.
 - * Oil all metal moving parts with a general - purpose lubricating oil to ensure proper performance and safety.
- * Keep children away during assembly. This item contains small parts which can be swallowed by children.
Children should always be under adult supervision while using this product.
- * This product is for residential use only, not for commercial use.
