HANDHELD AUTOMATIC DIGITAL TIRE INFLATOR

MHA-100

INFLATE LIKE A PRO

*CARS, TRUCKS, TRACTORS,
MILITARY VEHICLES AND PLANES TIRES*

MARTINS GOT YOU COVERED

SET THE PRESSURE YOU NEED

- ▶ 2 programmable pressures - see A & B
- ▶ 4 measurement units
- ▶ OPS function
- ▶ LCD screen
- ▶ Backlight and sound signal

JUST CHARGE IT

RECHARGEABLE
LITHIUM-ION BATTERY

This fully portable device
**lasts up to 500 inflation
cycles on one battery charge**
which will allow you to bring it
wherever you need to inflate.

Patent pending

INFLATE WITH ACCURACY

STURDY, LIGHT WEIGHT AND COMPACT
FOR EASY CARRYING

FEATURES

- ▶ **Reliable** and **Sturdy** ABS CASE
- ▶ Reading accuracy +/- 2,07 Kpa / +/-0.02 BAR / +/-0.3 PSI / +/-0.02 kg/cm²
- ▶ Each inflator is individually calibrated and is CE certified
- ▶ Equipped with a 1828 mm / 6 feet air hose with a 1/4 inches clip-on chuck
- ▶ Weight: 1.2 KG / 2.6 LB
- ▶ **Nitrogen compatible** can inflate up to 1200 Kpa / 12 BAR / 174 PSI / 12.2 kg/cm²

SMART AND EASY TO USE

-  Power On / Power Off / Light
-  Function Select: Unit change / OPS Set / Manual Inflation
-  Default pressure value choice (initial value 103.4 Kpa / 1 BAR / 15 PSI / 1.1 kg/cm².)
-  Default pressure value choice (initial value 206.8 Kpa / 2.1 BAR / 30 PSI / 2.1 kg/cm².)
-  Increase final target pressure / Unit change / Manual Inflation
-  Reduce final target pressure / Unit Change

////// **READY FOR EFFICIENCY**
