SAFE & SECURE

HEAVY-DUTY LATCH

LUCKY DOG®

CHAIN LINK KENNELS

Say goodbye to the hassles of flimsy, hard-to-assemble kennels. The new Lucky Dog® Chain Link Kennel Kit is engineered with cutting-edge design improvements, inspired by real feedback. We've taken everything consumers dislike about standard kennels and fixed it—making this the most durable, versatile, and pet-safe option on the market. Crafted for unmatched strength, designed for hassle-free assembly, and built with features that put your pet's safety first, the Lucky Dog® Chain Link Kennel Kit is the ultimate enclosure.

ESCAPE-RESISTANT DOOR withstands strong pets from the inside while still allowing for future disassembly

SAFETY-FIRST LATCH ensures security for your pet, resisting twisting and staying firmly in place

NEW & IMPROVED CHAIN LINK fabric is the perfect blend of thickness and tensile strength for hassle-free assembly and structural integrity

FASTER ASSEMBLY with improved installation instructions and tangle-free chain link

DURABLE STEEL FRAME can handle the daily activity of dogs and withstand harsh weather conditions
