MORE COVERAGE. MORE VALUE. ZERO COMPROMISE.

The FLEX-M2 Twin Pack proves you don't have to pay top dollar to get top performance. Each camera delivers 32MP photos, 1080p videos with sound, and features that punch well above its price tag. Easy to use, customizable, and reliable, the FLEX-M2 Twin Pack cellular trail cameras are built to run continuously for up to 12 months with a LIT-22 rechargeable battery or up to six months with AA batteries, so you can scout more ground with confidence.

KEY FEATURES

LET SPYPOINT SCOUT FOR YOU: receive photos and videos with sound, and request full-HD photo and video files, via the free SPYPOINT app—keeping you updated on game activity from anywhere.

RECEIVE ONLY WHAT MATTERS TO YOU MOST: Use Smart Send AI (available with a Premium transmission plan) to only receive captures of the species you choose, virtually eliminating wasted photos before they're sent.

CROSS-CARRIER COVERAGE: Dual-SIM technology automatically connects you to all major carriers and the strongest signal in the area, so you can count on reliable coverage.

EASY SET UP AND REMOTE MANAGEMENT: leave your hunting area undisturbed by activating, managing, and updating your camera remotely via over-the-air updates with the SPYPOINT app. Plus, locate your camera anytime using the GPS locator on the in-app map.

BUILT TOUGH: get superior durability and reliable performance with the FLEX-M2's compact design, enhanced latch mechanism, and weather resistance that holds up even in harsh conditions.

ENDLESS OPTIONS: fine-tune your settings with customizable features like Multishot mode, Time-Lapse and Time-Lapse+, scheduling, in-app maps, and more. Download your HD photos and videos easily from the app or the microSD card, ensuring everything stays backed up.

FILTER FOR WHAT MATTERS TO YOU MOST: use free BUCK TRACKER™ AI to automatically filter photos and videos.

TWO-YEAR WARRANTY: enjoy peace of mind knowing that SPYPOINT's "Know You're Covered" guarantee protects your investment.
