

SIFTING LITTER PAN

Instruction Manual

SKU# 6080255

Please read the following instructions carefully before using this product.
For use with clumping litter

STEP 1: To set up, place sifting tray between the two litter pans.

STEP 2: With all three pans stacked, fill the top pan with litter, put on the top cover.

STEP 3: To clean, remove the top cover, pour the contents of the dirty pan into the empty pan with the sifter tray.

STEP 4: Lift the sifting tray and shake from side to side. Clean litter will fall through sifting tray into bottom pan.

STEP 5: Discard clumps from sifter tray in a trash receptacle.

STEP 6: Place the empty sifter tray into the empty litter pan. Place litter pan with now cleaned litter on top. Add more clean litter as needed.

STEP 7: Put on the top cover
