EURO FENCE | Oxford Grey with Lattice Top

# JEWETT CAMERON

Founded in Oregon in 1953, Jewett Cameron Company strives to develop and build premium, innovative products in the fencing, pet home, and outdoor living categories. Throughout our organization, we are guided by our defining principles of crafted, stewardship and legacy. These values form the foundation of our organization and guide every aspect of our business. As such, we apply the same care in developing our products as we do investing in our team, our partners, our environment, and in the communities where we live, work and play.

# EURO FENCE

THE BEAUTY OF WOOD WITHOUT THE MAINTENANCE

*This mixed material fencing is extremely low maintenance and retains its beauty for many years. It's all-purpose channel posts (sold separately) and board stacking simplicity makes it the easiest fence to install. Use as in-ground fencing in your yard, or create an attractive privacy alcove by surface mounting on your patio, deck, around garbage bins and more!*

**STRONG** made with powder coated aluminum posts & components

**DURABLE** made of recycled composite tongue & groove boards

**CUSTOM** styles and options to fit your taste

**REALISTIC** wood patterns & colors, no need to paint or stain
