

PERIMETER PATROL®

Perimeter Patrol® Portable Security Panels create an enclosed space or linear fence for outdoor areas. The heavy duty welded wire mesh panels are easy to set up and link together to create any shape desired. Perfect for crowd control, job site security, outdoor events, enclosed storage areas and more.

STRONG powder-coated to withstand elements

EASY TO INSTALL using panel clamps & base plates

SECURE steel frame holds up to crowds

SAFE no sharp edges for safety, easy for 1 person to handle

VERSATILE add no-trip base, swing gate wheel or no-climb accessory as needed
