

P-100A

AIR MOVER WITH POWER OUTLETS

Ventilate and dry like a Pro at a fraction of the cost! The P-100A air mover blasts up to 700 CFM with its efficient 173 W motor. Drawing only 1.5 Amps at its highest speed setting, this multipurpose air mover is a must-have addition for home or garage.

Manufactured with rugged state-of-the-art injection molding technology, this air mover is ideal for drying tight crawl spaces, beneath kitchen counters, inside cabinets, bathrooms, auto interiors, and more. The P-100A features a 3-speeds switch for full airflow control and a set of on-board power outlets that allow you to power your tools, charge electronics, or link multiple units together. Designed for easy storage and portability, the lightweight P-100A features a stackable design, grab-and-go handle, and convenient wrap-around cord storage.

- Powerful and energy efficient 173 W induction motor
- Low 1.5 Amp draw with 700 CFM max. airflow capacity
- 3 speeds with 4 positions (0°, 20° kickstand, 45°, & 90°)
- 10 ft. power cord with wrap-around cord design
- Built-in outlets for convenient power source
- Stackable up to 4 units high for easy storage
- Lightweight, compact, and durable polypropylene housing

SPECIFICATIONS

FEATURES

MODEL NO.	P-100A
VOLT/HERTZ	115V / 60 Hz
MOTOR	173 W
POWER	1.5 Amps
RATED AIRFLOW	700 CFM
SPEEDS	3 Speeds
CORD LENGTH	10 ft.
OPERATING POSITIONS	4
STACKABLE	Yes
DAISY CHAIN	Yes
UNIT WEIGHT	9.5 Lbs.
UNIT DIMENSIONS (LxWxH)	10.7 x 12.4 x 13.3 in.
HOUSING	PP
SAFETY CERTIFICATIONS	ETL/CETL
DUAL THERMAL PROTECTION	Yes
PALLET QUANTITY	72 Units
