UNDERCOVER SCOUTING

Double your opportunities with the FLEX-DARK Twin Pack—two cellular cameras for even more undercover eyes and ears in the field. Scout smarter by monitoring multiple locations at once without disturbing your hunting area or alerting your targets. With a winning combination of fully customizable settings and advanced features, the FLEX-DARK unlocks the advantage you've been waiting for.

KEY FEATURES

LET SPYPOINT SCOUT FOR YOU: receive photos and videos with sound, and request full-HD photo and video files, via the free SPYPOINT app—keeping you updated on game activity from anywhere.

FREE TRANSMISSION PLAN: get 100 free photos a month per camera, with plan upgrades that are among the most affordable in the market. Plus, enjoy extra perks when you join the SPYPOINT Insiders Club.

CROSS-CARRIER COVERAGE: Dual-SIM technology automatically connects you to all major carriers and the strongest signal in the area, so you can count on reliable coverage.

EASY SET UP AND REMOTE MANAGEMENT: leave your hunting area undisturbed by activating, managing, and updating your camera remotely via over-the-air updates with the SPYPOINT app. Plus, locate your camera anytime using the GPS locator on the in-app map.

BUILT TOUGH: a reinforced shell in ghost grey for better concealment, a flexible antenna with no-slip brass hardware that won't snap or move out of position, and an improved latch to make sure the FLEX-DARK never stops working, even in harsh conditions, season after season.

ENDLESS OPTIONS: fine-tune your settings with customizable features like multishot mode, Time-Lapse and Time-Lapse+, scheduling, in-app maps, and more. Download your HD photos and videos easily from the app or the microSD card, ensuring everything stays backed up.

DON'T SPOOK GAME AT NIGHT: customize flash settings with low glow and no glow LEDs that make no noticeable light or sound, truly keeping game in the dark.

FILTER FOR WHAT MATTERS TO YOU MOST: use free BUCK TRACKER™ AI to automatically filter photos and videos.

TWO-YEAR WARRANTY: enjoy peace of mind knowing that SPYPOINT's "Know You're Covered" guarantee protects your investment.
