## DANGER

1. Please assemble according to the installation steps in the manual.
2. During the assembly process, please tighten the screws by 80%. After all the screws are assembled, they can be tightened by 100%.
3. During assembly, please install it on the carpet or soft grass to avoid product damage. Thank you.

# Assembly Instruction

If the chair feels low, try removing a pair of scissor clips to raise it.

The nut safety buckles must be locked;  
Regularly inspect the rope and the suspension  
as a whole for safety hazards.
