

# DYNE™

## Advanced Support Soft Chew Dog Supplements

Proactively Supporting Healthy Dogs to be **Dynamic Everyday**

### Why Dyne?

Vet-formulated chews from an employee-owned company with 95+ years of trusted nutrition—real ingredients that deliver on what they promise.

### Backed by Trust

Since 1930, PetAg has been a go-to for breeders, rescues, and pet parents. Dyne continues that legacy with next-level supplements.

### Built with Integrity

Every ingredient has purpose—no fillers, no empty claims, just the right amounts to help dogs thrive.

### Clear. Honest. Effective.

Simple labels, science-backed benefits, and vet expertise you can trust.

**Dyne offers innovative formulas that work harder, so dogs can play harder, live better, and enjoy more tail-wags every single day.**
