

Comfort Grip 3-Outlet Extension Cord

Operating, Safety, and Legal Instructions

READ AND UNDERSTAND BEFORE USE.

Improper use may result in fire, electric shock, injury, or damage.

Electrical Safety Warnings

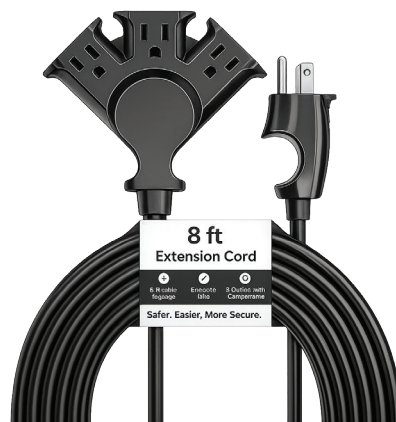

- 16 AWG / 1650W MAX / 125V. Do not exceed rated electrical load.
- Use only with properly grounded outlets. For indoor use only.
- Do not plug into another extension cord or power strip.
- Do not use with space heaters, portable air conditioners, refrigerators, microwaves, hair dryers, or other high-draw appliances.
- Do not run cords through walls, ceilings, doors, windows, or under carpets. Do not cover cords.
- Keep away from water, moisture, heat sources, and flammable materials.
- Unplug by gripping the plug, not the cord.
- Inspect before each use. Do not use if cord, plug, housing, or outlets are damaged.
- Not intended to support body weight. Do not step on, pinch, or drive over cords.
- Do not use if plug or outlets feel hot.

Children and Misuse Warnings

- Not a toy. Keep out of reach of children and pets. Do not allow children to plug or unplug devices or operate switches.
- Do not disassemble or modify the product. No user-serviceable parts.
- Fully insert plug. Do not use if plug fits loosely.

Important Legal Disclaimers

- Not a medical device. This product is not intended to diagnose, treat, cure, or prevent any medical condition.
- Uncaged Ergonomics LLC assumes no liability for injury, property damage, or loss resulting from misuse, overloading, improper placement, modification, or failure to follow instructions.
- Use of this product constitutes acceptance of all safety instructions, warnings, and limitations of liability described herein.
