Electrical Safety Warnings

- **Electrical Rating:** Do not exceed the maximum electrical load of 13A, 1625W, 125V AC. Overloading may cause overheating, fire, or product failure.
- **Appliance Restrictions:** This product is intended for low-to-moderate power consumer electronics (computers, TVs, lamps, chargers, etc.).
- **Do NOT use with high-current appliances** such as space heaters, portable air conditioners, refrigerators, microwaves, or hair dryers.
- **Indoor use only:** For dry, indoor locations only. Do not use outdoors, in bathrooms, garages, or other damp/wet environments.
- **Heat & Ventilation:** Do not cover the unit or place it under rugs, furniture, bedding, or in enclosed areas where heat cannot dissipate. Keep away from heat sources and direct sunlight.
- **Wall & Fire Safety:** If you notice sparking, smoke, discoloration, unusual odor, or the unit becoming hot to the touch, immediately unplug and discontinue use.
- **No Daisy-Chaining:** Do not plug this unit into another power strip, surge protector, or extension cord. Use only with a properly grounded wall outlet.
- **Proper Connection:** Ensure plugs are fully inserted into outlets to prevent arcing or shock. Do not bind, coil, or pinch the power cord, which may cause overheating.
- **Inspection Before Use:** Do not use if the cord, plug, housing, or outlets are damaged, cracked, or loose. Inspect periodically.
- **Disassembly Prohibited:** Do not attempt to open, disassemble, repair, or modify the power strip. No user-serviceable parts inside.
- **Surge Protection Limits:** This device provides limited surge suppression. It will not protect against direct lightning strikes or sustained high-voltage events.
- **User Responsibility:** Misuse, exceeding electrical ratings, or failure to follow instructions may result in risk of fire, shock, or property damage. The manufacturer is not responsible for damages caused by improper use. User assumes all risks and responsibilities.
- **Retractable Cord Safety:** Do not allow the power cord to retract rapidly or uncontrollably. Always guide the cord back slowly by hand during retraction to prevent injury or damage.
- **Pinch & Entanglement Hazard:** Keep fingers, hair, loose clothing, and jewelry clear of the cord opening during extension and retraction.
- **Mounting Safety:** Mount only to stable, solid surfaces capable of supporting the product. Do not mount to drywall, thin panels, or unstable furniture without appropriate anchors.
- **Children & Pets:** This product is not a toy. Do not allow children to pull, retract, or play with the power cord or operate the unit.
- **Not a Medical Device:** This product is not intended to diagnose, treat, cure, or prevent any medical condition.

Troubleshooting

The Retractable Power Strip will automatically shut down if overloaded. When this happens, disconnect all attached devices and reset the overload switch. Be careful not to overload the Retractable Power Strip in the future.

Problem: The power cable is not completely plugged into the wall outlet.

Solution: Reconnect the power strip securely to the wall outlet.

Problem: The total current draw exceeds the USB output capacity.

Solution: Disconnect some devices to reduce the load.

Warranty & Limitation of Liability

Limited Warranty

Uncaged Ergonomics LLC ("UE") warrants this product to be free from defects in materials and workmanship under normal use for a period of one (1) year from the date of original purchase. During the warranty period, UE will, at its option, repair or replace any defective product returned with proof of purchase.

This warranty does not cover:

- Damage caused by misuse, abuse, accidents, or modifications.
- Normal wear and tear.
- Damage resulting from failure to follow the operating instructions or safety warnings.
- Use with non-compatible devices, power supplies, or accessories.

Disclaimer of Other Warranties

Except as expressly provided above, UE disclaims all other warranties, express or implied, including without limitation the implied warranties of merchantability and fitness for a particular purpose.

Limitation of Liability

To the maximum extent permitted by law, UE shall not be liable for any incidental, indirect, special, or consequential damages, including but not limited to property damage, loss of data, loss of profits, or personal injury, arising out of or in connection with the use or inability to use this product, even if UE has been advised of the possibility of such damages.

In no event shall UE's total liability exceed the purchase price paid for the product.

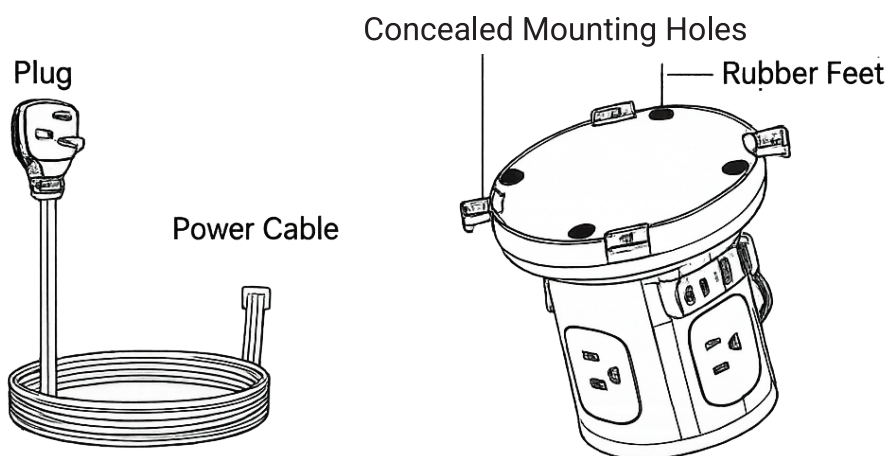

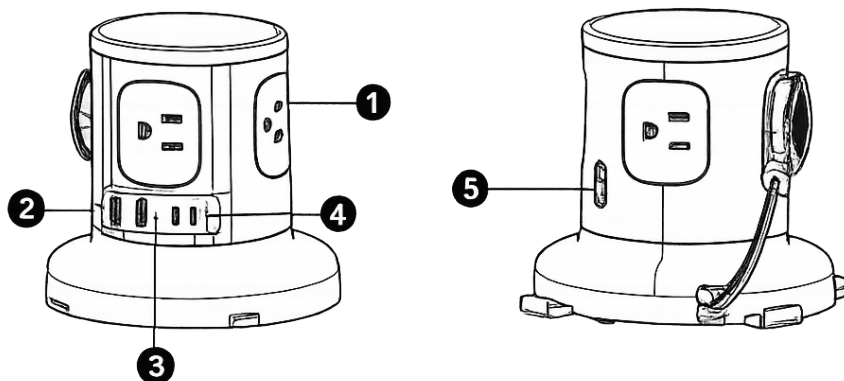

State Law Rights

Some states do not allow limitations on implied warranties or the exclusion of incidental or consequential damages, so the above limitations may not apply to you. This warranty gives you specific legal rights, and you may also have other rights which vary from state to state.

Use only as instructed. Misuse may cause injury or damage. User assumes all risks and responsibilities for misuse of this product.

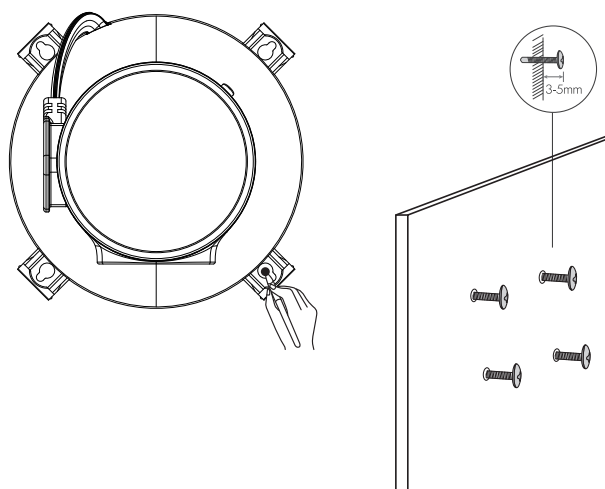

1. AC Outlets
2. USB-A Charging Ports
3. LED Power Indicator
4. USB-C Charging Port
5. ON/OFF and Overload Switch

Technical Specifications:

Model	Retractable Power Strip
Interface	4 Outlets + 2 USB-A Ports + 2 USB-C Ports
USB-A Output	5V = 2.4A
USB-C Output	20W (5V = 3A, 9V = 2.22A, 12V = 1.67A)
Current	13A
Voltage	110 - 125V~
Power	1625W MAX
Frequency	50/60 Hz
Wireless Charging	15W
Material	Flame-retardant housing
Product Size	4.96 x 4.96 x 4.65 in

Setup and Operations

1. Pull out the small bracket at the bottom of the Retractable Power Strip.
2. Identify a suitable mounting location on your desk or surface.
3. Use the four self-tapping screws provided to secure the bracket through the holes at the base.

SAFETY AND LEGAL INFORMATION

Children and Misuse Warnings

- Not a toy. Keep out of reach of children and pets. Do not allow children to plug or unplug devices or operate switches.
- Do not disassemble or modify the product. No user-serviceable parts.

Important Legal Disclaimers

- Not a medical device. This product is not intended to diagnose, treat, cure, or prevent any medical condition.
- Uncaged Ergonomics LLC assumes no liability for injury, property damage, or loss resulting from misuse, overloading, improper placement, modification, or failure to follow instructions.
- Use of this product constitutes acceptance of all safety instructions, warnings, and limitations of liability described herein.
