

READ AND UNDERSTAND BEFORE USE.

This stool is designed to wobble and may increase fall risk if misused.

Assembly Instructions

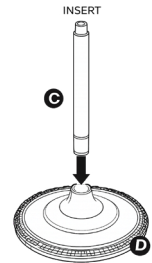

Step 1:

Remove and discard the red plastic cap covering the tip of the gas spring.

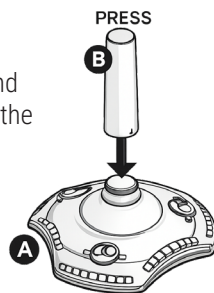

Step 2:

Insert the gas spring (C) into the base (D). Once aligned correctly, press down firmly.

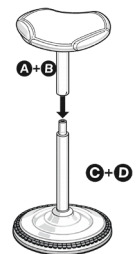

Step 3:

Connect the Plastic Tube (B) to the Seat (A) by resting the seat on the cushion and firmly pressing the Plastic Tube against the seat.

Step 4:

Gently slide the seat onto the gas spring. Once aligned properly, press down firmly on the seat.

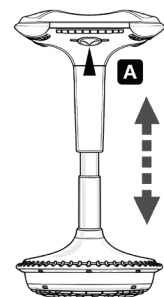

Operating Instructions

1. To raise the seat, gently press any 1 of the 3 under-seat buttons.
2. To lower the seat: Gently press any 1 of the 3 under-seat buttons and simultaneously press down on the seat (or sit on the seat).

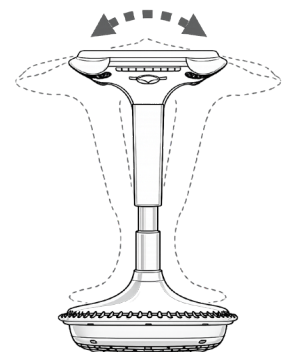

TIP! If the seat does not raise easily:

1. Be sure the red plastic cap on top of the gas spring has been removed.
2. If Wobble Stool is assembled correctly, add additional pressure to the seat by pushing down or sitting on it to secure the connection for proper use.

Sitting Instructions

1. Wobble Stool's base is unstable. Wobble Stool rocks, tilts, tips and the seat swivels 360°. It is not a stationary chair. Extreme care must be used when sitting on the Wobble Stool.
2. Only sit on Wobble Stool if both of your feet are planted firmly on the ground supporting your entire body weight.

WARNING: DO NOT LEAN BACK. To reduce fall risk, do not tip Wobble Stool past vertical.

WARNING: Not for use by children.

WARNING: Do not use with only 1 foot or no feet on the ground.

SAFETY AND LEGAL INFORMATION

General Safety Warnings

- Fall hazard. Use caution when sitting and standing.
- Use only on stable, level surfaces. For indoor and outdoor use.
- Maximum load capacity: 250 lb. Do not exceed.
- Intended for seated use only. Do not stand, jump, or climb on the stool.
- Assembly required. Keep small parts away from children during assembly.
- Not a toy. Not for use by children.
- Use in open area with adequate clearance from furniture and sharp edges.

Use Conditions

- Sit centered on the seat. Avoid leaning to the extreme edges.
- Discontinue use if any component is loose, damaged, or unstable.
- Keep away from stairs and elevated edges.
- Do not use on wet, icy, or slippery surfaces.

Important Legal Disclaimers

- Not a medical device. This product is not intended to diagnose, treat, cure, or prevent any medical condition.
- Uncaged Ergonomics LLC assumes no liability for injury, property damage, or loss resulting from misuse, improper assembly, failure to follow instructions, or use in unsafe environments.
- Use of this product constitutes acceptance of all safety instructions, warnings, and limitations of liability described herein.
