

READ AND UNDERSTAND BEFORE USE.

This is an active balance chair with an intentionally unstable seat.
Improper use may result in falls or injury.

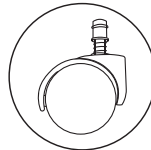

Parts:

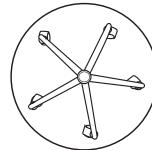

Seat
(1pc)

Gas Spring
(1pc)

Wheels
(5pc)

5 - Star Base
(1pc)

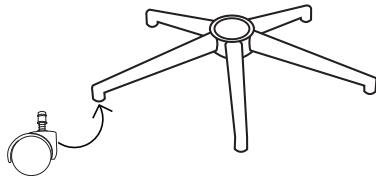

Base Cover
(1pc)

Assembly Instructions

- Keep away from stairs, thresholds, and elevated edges.
- Use only on hard, level flooring. Avoid uneven surfaces or floors where the chair may roll unexpectedly.
- After assembly, confirm all fasteners are fully tightened before use. Periodically re-tighten as needed.
- When first using the chair, use near a stable support (desk or table) until comfortable.

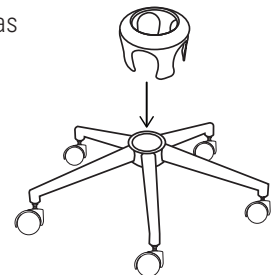

Step 1:

Press the wheels into the bottom of the 5-star base.

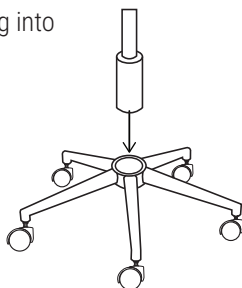

Step 2:

Slide the base cover onto the gas spring.

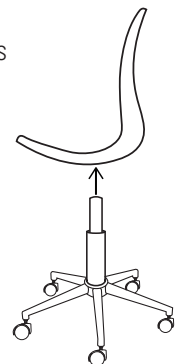

Step 3:

Insert the thick end of the gas spring into the base. Press down firmly.

Step 4:

Place the seat onto the top of the gas spring. Press down firmly.

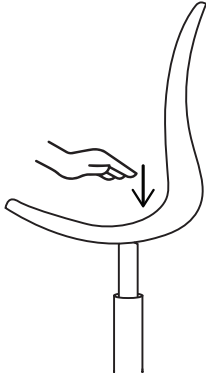

Assemble on a flat, open surface. Keep fingers clear of pinch points.

Operating Instructions

Step 1: Ensure that the Active Task Chair is properly and safely assembled.

Step 2: Press down firmly on the seat to ensure that it is properly connected to the gas spring.

Step 3: Once properly assembled and tested, sit on the Active Task Chair with both feet firmly on the floor. The unique seat allows gentle, controlled motion in all directions. Become familiar with the seat motion in a safe environment.

Step 4: To raise the seat: Stand up slightly and squeeze the under-seat lever.

Step 5: To lower the seat: Sit on the chair and squeeze the under-seat lever.

WARNING - DO NOT LEAN BACK. Do not tip the chair past vertical.

WARNING - Not for use by children.

WARNING - Do not use with only 1 foot or no feet on the ground.

SAFETY AND LEGAL INFORMATION

General Safety Warnings

- Fall hazard due to unstable seat. Use caution when sitting and standing.
- Use only on stable, level surfaces.
- Maximum load capacity: 200 lb. Do not exceed.
- Do not stand on the chair. Not intended to support body weight while standing.
- Keep hands and fingers clear of moving parts during adjustments.
- Assembly required. Small parts present. Keep away from children during assembly.
- Not a toy. Do not allow children to climb, tip, or play on the chair.

Adjustment Safety

- Use the gas lift and levers only while seated and stable.
- Do not adjust while leaning excessively or while chair is unstable.
