# Safety Information

## PRECAUTION

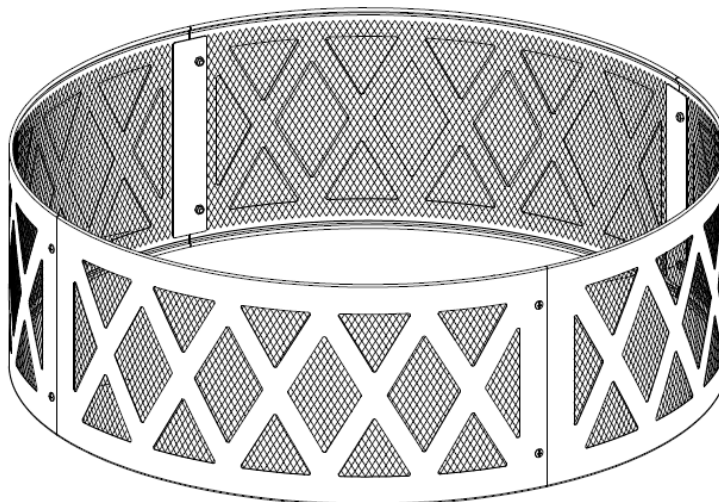

Use caution and common sense when using your outdoor fire ring . Failure to adhere to the safety warnings and guidelines in this manual could result in bodily injury or property damage . Save this manual for future reference .

## WARNING

- This fire ring is for outdoor use only .
- Use only on stone, dirt, or sand.
- DO NOT use on lawns, wooden decks, artificial wood decking or asphalt.
- Keep the outdoor fire ring a minimum of 10 ft. away from buildings, structures, any flammable items and vehicles.
- Never use under low hanging tree branches, trellises, or overhangs of any kind including covered porches.
- Never use gasoline, alcohol or volatile fluids to start or restart fires.
- For longer product life, keep fires to a respectable size, do not overload.
- Use caution when tending the fire, as surfaces will become very hot while in use.
- Before each use make sure the outdoor fire ring is in good working condition.
- Do not use firewood over 16 in. long.
- The fire ring is made only to create a boundary ring around the fire and is not made to contain a fire.

**CALIFORNIA PROPOSITION 65 WARNING:** Fuels used in wood or charcoal burning appliances, and the products of combustion of such fuels, can expose you to chemicals including carbon black, which is known to the State of California to cause cancer, and carbon monoxide, which is known to the State of California to cause birth defects or other reproductive harm.
