

PRESSURE-PRO HTQBS

Pressure Washer Accessory Kit

18 in. Surface Cleaner • 18 ft. Telescoping Wand • 50 ft. Non-Marking Hose

The HTQBS combines essential pressure-washing accessories in one convenient kit, expanding cleaning reach and versatility for flat surfaces, elevated areas, and general exterior cleaning.

KIT COMPONENTS

Component	Description
18 in. Surface Cleaner	Caster-equipped cleaner for fast, consistent cleaning of large flat surfaces.
18 ft. Telescoping Wand	Extends reach for siding, eaves, and elevated exterior areas.
50 ft. Non-Marking Hose	High-pressure hose adds working range while helping reduce surface marks.
3/4 in. Garden Hose Quick Connects	Fast connection and disconnection of the water-supply hose.
High-Pressure Ball Valve	Convenient flow control when changing compatible high-pressure accessories.
Belt Support	Added support when operating the telescoping wand.
