MOVA E30 Pro Plus

Auto-Empty Robot Vacuum and Mop

MOVA E30 Pro Plus is pro-level Robot Vacuum and Mop. With 19000Pa strong suction, Anti-tangle TroboWave™, and MaxiReach Side Brush, it offers High-Powered Cleaning and Ultra Dust Elimination, making floor cleaning a breeze.

Key Features

19000Pa Powerful Suction*

MOVA's 80,000 RPM motor delivers up to 19,000Pa suction power — a 46%* increase over the previous generation — ensuring deep, quiet, and efficient cleaning.

Anti-tangle TroboWave™ DuoBrush

TroboWave DuoBrush combines TPU and bristled rubber brushes to handle both soft and hard surfaces, from carpets to cracks - no tangles, no fuss!

Auto Empty Base Station

Comes with a 5L* large dust bag, designed for extended use and minimal maintenance.

MaxiReach Side Brush Vacuuming

In right-angle edges and tight gaps, side brush extends to hit every corner, with its upgraded 45° rubber strip to guide hair down for smooth, tangle-free cleaning.
