MADE IN THE USA WITH GLOBAL MATERIALS

DEWALT

30 GALLON PORTABLE, VERTICAL OIL FREE AIR COMPRESSOR

200 PSI MAX | **5.1 SCFM @ 90 PSI** [1]

SPECIFICATIONS

Horsepower (RHP) continuous	1.7
Control	Start/Stop
Pump	Oil Free
Tank (gallon)	30
Power supply	Electric/120 V
SCFM @ 90 PSI [1]	5.1
Maximum PSI [1]	200
Wheels	10" Pneumatic
Certifications	Certified to UL 1450 Standard

1. 1.7 HP Universal Motor & Oil Free, Maintenance Free Pump
2. Integrated Dashboard & Robust Handle Protects Critical Components
3. High Flow Regulator Enabling Optimum Air Tool Usage
4. Tank & Tool Pressure Gauges and Dual Quick Connect Outlets
5. 10" Heavy-Duty Pneumatic Wheels for Maximum Portability Around the Shop or Jobsite

High Capacity 30 Gallon Tank, 200 MAX PSI & 5.1 SCFM @ 90 PSI [1]

More than 5X Longer Air Tool Run Time [2]

1 1 YEAR LIMITED WARRANTY

DXCM305

[1]Tested Per ISO 1217
[2]Compared to PXCMF220VW @ 150 PSI

HIGH EFFICIENCY UNIVERSAL MOTOR

DUAL COMPRESSION RING TECHNOLOGY EXTENDS CYLINDER & PUMP LIFE

PUMP FEATURES

- 1.7 HP Universal Motor with Long Brush Life and Low Noise Cooling Fan
- Oil Free Pump that is Maintenance Free & Provides Cold Temperature Starting Capability
- Poly-V Drive-belt Needs No Adjustment or Maintenance
- High Grade Stainless Steel Valves
- Aluminum Head and Valve Plate Efficiently Dissipates Heat
- High Inertia Flywheel Provides Smooth Operation
