Oscillating Radiant Heater

HP-1000

PRODUCT DETAILS

UPC: 810059433083

Gift Box Dimensions (in): 15.2" (W) × 9.3" (D) × 18.9" (H)
Gift Box Weight (lbs): 4.6

Unit Dimension (in): 15.1" (W) × 9.3" (D) × 18.9" (H)
Unit Weight (lbs): 3.6 lbs

TECHNICAL SPECS

Voltage: 120V AC & Frequency: 60Hz •
Power Consumption: 700W (Low) / 1000W (High) •
Heat Output: 3412 BTU •
Oscillation Angle: 70° •
Safety Features: Tip-Over Switch, Overheat Protection •
Heating Element Type: Radiant Reflective Dish •
Carry Handle: Stay-Cool Molded Handle •
Base: Sturdy Non-Slip Base •
Certifications: ETL Listed (Certified to CSA STD. C22.2 No.46) •
Country of Manufacture: Vietnam •

SPECIAL FEATURES

• Wide-Angle Oscillation
Spreads comforting heat across the room with a smooth 70° sweep—perfect for cozying up your workspace, bedroom, or lounge area.

• Dual Heat Settings
Switch easily between 700W and 1000W for personalized warmth—low for gentle comfort, high for fast, full-room heating.

• Adjustable Tilt for Targeted Warmth
Angle the dish precisely where you need it—ideal for directing radiant heat while you work, read, or relax.

• Safety Tip-Over & Overheat Protection
Smart sensors instantly shut off power if the heater is knocked over or overheats—peace of mind built in.

• Stay-Cool Handle & Flocked Safety Grill
Designed for safe, effortless movement even while hot, with a cool-touch exterior that keeps fingers protected.

• Energy-Saving Radiant Technology
Delivers efficient, sun-like warmth directly to people and objects, reducing wasted energy and cutting heating costs.
