

# WHOLESOMES

## Our Story

At Wholesomes, we've been feeding pets for generations. We're a family owned business now in our fourth generation. Over the years, we've learned a lot about family, pet companions and making cat and dog food, jerky treats, and crunchy biscuits. We mix together years of knowledge, the latest technology and lots of love to serve up tasty meals for your pet. We still have those same Midwestern values that Grandpa Nunn had back in 1926. We operate four state-of-the-art facilities in the Midwest, USA.

Wholesomes pet food, produced by Midwestern Pet Foods, is not only of high quality but also supports a noble cause. The company donates a portion of all sales to the Children of Fallen Patriots Foundation, which provides assistance in college scholarships and educational counseling to over 2,000 military children who have lost a parent in the line of duty since 2002. By purchasing Wholesomes pet food, you can help honor the sacrifices of our fallen military heroes and ensure the success of their children through college education.
