

DOG FOOD INGREDIENTS AND NUTRITIONAL VALUE

At the PEDIGREE® Brand, everything we do is for the love of dogs.

That's why we develop recipes based on research from the Waltham Petcare Science Institute. Our dry recipes provide professional nutrition to address the Four Universal Needs of Dogs.

Professional Nutrition

All PEDIGREE® recipes are created with quality ingredients and formulated for professional nutrition to bring out your dog's best.

Our Ingredients

At PEDIGREE® Brand, we welcome label readers because it's important for you to know what you're feeding your dog. But knowing what the ingredients are is not the same thing as knowing their nutritional value and how they help your dog. So let's take a look at some of the good stuff we use in our recipes.
