

Our Feline VPRO® Blend

Every VICTOR formula begins with our VPRO Blend – an exclusive mix of four rigorously researched, proven ingredients. Together, these ingredients work to provide super premium nutrition to your cat while supporting a healthy coat, promoting digestive and immune system function, and maintaining a healthy weight. Developed by industry-leading experts, our VPRO Blend is an essential part of the VICTOR commitment to provide high-quality ingredients and exceptional nutrition for your loyal companion.

L-CARNITINE

Promotes healthy weight by working to transform fat into energy

MINERAL COMPLEXES

Support a healthy coat and skin, immune response, and efficient metabolism

PREBIOTICS

Promote immune defense and healthy digestive systems

PROBIOTICS

Promote healthy digestion and a strong immune system

“ Quality is important to us, that’s why we only use naturally fed chickens raised without growth hormones. We are proud that our friends down the road at VICTOR use our product.

Naturally, we feed our dogs VICTOR. ”

CHRIS HORN
PILGRIM'S CHICKENS
